I understand that by affiliation with the Provincial Anglican 4th Day (A4D), our diocese/parish has the right to use, without cost, all materials, logos and trademarks of Anglican 4th Day. I further understand that at the end of each calendar year, I or my designee will send the completed roster of all pilgrims/candidates that completed an A4D weekend in my diocese during that calendar year along with a check made payable to this movement in the amount of the continuation fee per pilgrim/candidate. (See current fee schedule.)

I further understand and agree that the A4D movement in my diocese will follow the guidelines found in the A4D Handbook. Local customs and practices thought to be necessary which do not contravene the intent and purpose of the Provincial A4D movement are permitted but not encouraged.

It is the intent of this movement to share all materials developed for use both for the Three Day Weekend (Cursillo©) as well as those developed for the Fourth Day. Therefore, it is to the benefit of all that as new materials are developed, they should be sent to the A4D Provincial Board so that they can be added to the download page of our website.

Finally, I further understand that as bishop of this diocese, this movement is under my direct authority and I have the right to have a local secretariat/board/council appointed or approved by me.
